Notice and Agenda of a Regular Meeting of the Board of Directors

Wednesday, January 18, 2012 at 6:00 p.m.

- I. CALL TO ORDER - Pledge of Allegiance
- II. ROLL CALL
- III. PUBLIC COMMENTS - At this time, members of the public may address the Board of Directors on matters within its jurisdiction. To provide comments on specific agenda items, please complete a speaker's request form and provide the completed form to the Board Secretary prior to the board meeting.
- IV. CONSENT CALENDAR - All matters listed under the Consent Calendar are considered by the Board of Directors to be routine and will be enacted in one motion. There will be no discussion of these items prior to the time the board considers the motion unless members of the board, the administrative staff, or the public request specific items to be discussed and/or removed from the Consent Calendar. The General Manager recommends approval of the following:
 - A. Minutes of Meetings
 - 1. Regular Board Meeting - January 4, 2012
 - 2. Board Workshop - January 10, 2012
 - B. Payment of Bills
 - 1. Approve/Ratify Invoices of Board Awarded Contracts
 - 2. Approve General Expenses for December 2011
- V. BOARD REPORTS
 - A. Board Workshop - January 10, 2012
 - B. City of Yucaipa Economic Development Advisory Committee - January 12, 2012
 - C. Reports by Board Members
- VI. STAFF REPORT

Any person with a disability who requires accommodation in order to participate in this meeting should telephone Chelsie Fogus at (909) 797-5118 at least 48 hours prior to the meeting in order to make a request for a disability-related modification or accommodation.

Materials related to an item on this agenda submitted to the Board of Directors after distribution of the board meeting packet are available for public inspection during normal business hours at the District office located at 12770 Second Street, Yucaipa. Meeting material may also be available on the District's website at www.yvwd.dst.ca.us

VII. DISCUSSION ITEMS

- A. Adoption of Resolution No. 03-2012 Updating Table 1 - Commercial Sewer Rate Factors of Resolution No. 18-2011 [[Director Memorandum No. 12-004 - Page 23 of 120](#)]
RECOMMENDED ACTION: That the Board adopts Resolution No. 03-2012 as presented.
- B. Unaudited Financial Report for December 2011 [[Director Memorandum No. 12-005 - Page 27 of 120](#)]
RECOMMENDED ACTION: That the Board receives and files the unaudited financial report as presented.
- C. Single Audit Report for the Period Ending June 30, 2011 [[Director Memorandum No. 12-006 - Page 55 of 120](#)]
RECOMMENDED ACTION: That the Board receives and files the Single Audit Report as presented.
- D. Purchase of Replacement Lamps for the Ultraviolet Disinfection Process at the Wochholz Regional Water Recycling Facility [[Director Memorandum No. 12-007 - Page 71 of 120](#)]
RECOMMENDED ACTION: That the Board authorizes the purchase of 900 ultraviolet lamps for a sum not to exceed \$118,115 from Trojan Technologies.
- E. Appointment of District Representatives for Small Claims Court [[Director Memorandum No. 12-008 - Page 75 of 120](#)]
RECOMMENDED ACTION: That the Board adopts Resolution No. 02-2012 as presented.
- F. Adoption of Resolution No. 04-2011 Approving an Investment Policy and Appointment of the General Manager as the District Investment Officer [[Director Memorandum No. 12-009 - Page 77 of 120](#)]
RECOMMENDED ACTION: That the Board adopts Resolution No. 04-2011 as presented.
- G. Amendment No. 1 to Task Order No. 3 for Biological Compliance Activities Related to the Yucaipa Valley Regional Brineline [[Director Memorandum No. 12-010 - Page 86 of 120](#)]
RECOMMENDED ACTION: That the Board approves Amendment No. 1 to Task Order No. 3 for a sum not-to-exceed \$19,775 for biological monitoring services.
- H. Task Order No. 9 for Construction Management Services Related to the R-10.3 Recycled Water Reservoir and Booster Complex [[Director Memorandum No. 12-011 - Page 96 of 120](#)]
RECOMMENDED ACTION: That the Board approves Task Order No. 9 to Krieger & Stewart for a sum not-to-exceed \$457,700 for construction management related services.
- I. Damage Claim Related to a Leak on Private Property at 12555 Fremont Street, Yucaipa [[Director Memorandum No. 12-012 - Page 110 of 120](#)]
RECOMMENDED ACTION: That the Board denies the claim as presented.

VIII. DIRECTORS COMMENTS

IX. CLOSED SESSION

- A. Conference with Labor Negotiator (Government Code 54957.6)
District Negotiator: Joseph Zoba, General Manager
Employee Organization: IBEW Local Union 14356 - YVWD Employees Association
- B. Conference with Labor Negotiator (Government Code 54957.6)
District Negotiator: Joseph Zoba, General Manager
Employee Organization: Supervisor Bargaining Unit
- C. Conference with Labor Negotiator (Government Code 54957.6)
District Negotiator: Joseph Zoba, General Manager
Employee Organization: Confidential Employee Bargaining Unit
- D. Conference with Labor Negotiator (Government Code 54957.6)
District Negotiator: Joseph Zoba, General Manager
Employee Organization: Exempt Employee Bargaining Unit

X. ANNOUNCEMENTS

- A. January 24, 2012 at 4:00 p.m. - Board Workshop
- B. February 1, 2012 at 6:00 p.m. - Regular Board Meeting
- C. February 7, 2012 at 4:00 p.m. - Board Workshop
- D. February 15, 2012 at 6:00 p.m. - Regular Board Meeting
- E. February 28, 2012 at 4:00 p.m. - Board Workshop

XI. ADJOURNMENT

CONSENT CALENDAR

MINUTES OF A REGULAR BOARD MEETING

January 4, 2012

Directors Present:

Jay Bogh, President
Bruce Granlund, Vice President
Ian Cuthbertson, Director
Lonni Granlund, Director
Hank Wochholz, Director

Staff Present:

Joseph Zoba, General Manager
Jack Nelson, Assistant General Manager
Brent Anton, Engineering Manager

Directors Absent:

None

Consulting Staff Present:

David Wysocki, Legal Counsel
Pat Watson, Krieger & Stewart

Registered Guests and Others Present:

Bill Dickson, San Geronio Pass Water Agency
Ted Haring, San Geronio Pass Water Agency
John Jeter, San Geronio Pass Water Agency

The regular meeting of the Board of Directors of the Yucaipa Valley Water District was called to order by Director Jay Bogh at 6:00 p.m. on Wednesday, January 4, 2012 at the Administrative Office Building, 12770 Second Street, Yucaipa, California.

CALL TO ORDER

Director Jay Bogh led the pledge of allegiance.

FLAG SALUTE

The roll was called and Directors Jay Bogh, Bruce Granlund, Ian Cuthbertson, Lonni Granlund, and Hank Wochholz were present.

ROLL CALL

Director Jay Bogh welcomed the audience members. There were no public comments.

PUBLIC COMMENTS

Director Hank Wochholz moved to approve the consent calendar and Director Ian Cuthbertson seconded a motion that carried to approve the consent calendar.

A. Minutes of Meetings

1. Regular Board Meeting – December 21, 2011

There were no other reports provided by members of the board.

BOARD REPORTS

General Manager Joseph Zoba provided a staff report that included the following information:

STAFF REPORT

- On Monday, December 19, 2011, Moody's Investors Service

downgraded the National Public Finance Guarantee Corporation to Baa2 and MBIA to B2. While this downgrade does not impact the District's credit rating, it does result in a continuing disclosure obligation pursuant to Section 5a(vi) of the Continuing Disclosure Certificate of the 2004A bond obligation. The notice distributed at the board meeting was filed with the Municipal Securities Rulemaking Board.

DISCUSSION ITEMS:

Following a brief overview of this agenda item by General Manager Joseph Zoba, Director Ian Cuthbertson moved and Director Hank Wochholz seconded a motion to adopt Resolution No. 01-2012 electing to not increase compensation for members of the Board of Directors. The motion was approved by a 5-0 vote.

DM 12-001
REIMBURSEMENT POLICY
AND COMPENSATION PAID
TO MEMBERS OF THE
BOARD OF DIRECTORS
PURSUANT TO ASSEMBLY
BILL NO. 1234

Following an overview of this agenda item by General Manager Joseph Zoba and a detailed discussion by Patrick Watson, Director Ian Cuthbertson moved and Director Lonni Granlund seconded a motion to award the construction contract for the R-10.3 Recycled Water Storage and Booster Complex to ACE/RPT/Canyon Springs Enterprises for a sum not to exceed \$4,177,087. The motion was approved by a 5-0 vote.

DM 12-002
AWARD OF A
CONSTRUCTION
CONTRACT FOR THE R-
10.3 RECYCLED WATER
STORAGE AND BOOSTER
COMPLEX

Following an overview of this agenda item by General Manager Joseph Zoba, Director Lonni Granlund moved and Director Bruce Granlund seconded a motion to authorize the District staff to solicit bids for the construction of the Wochholz Improved Salinity Effluent (WISE) Project. The motion was approved by a 5-0 vote.

DM 12-003
AUTHORIZATION TO
SOLICIT BIDS FOR THE
WOCHHOLZ IMPROVED
SALINITY EFFLUENT
(WISE) PROJECT

There were no comments from the Directors.

DIRECTOR COMMENTS

Director Jay Bogh directed attention to the announcements located on the board meeting agenda.

ANNOUNCEMENTS

There being no further business, the meeting was adjourned at 6:17 p.m.

Respectfully submitted,

Joseph B. Zoba, Secretary

(Seal)

MINUTES OF A BOARD WORKSHOP

January 10, 2012 at 4:00 P.M.

Directors Present:

Jay Bogh, President
Bruce Granlund, Vice President
Ian Cuthbertson, Director
Lonni Granlund, Director
Hank Wochholz, Director

Staff Present:

Joseph Zoba, General Manager
Jack Nelson, Assistant General Manager
Vicky Elisalda, Controller
John Hull, Public Works Manager
Jennifer Ares, Resource Sustainability Manager
Brent Anton, Engineering Project Integrator
Matt Harward, Deputy Manager of Water Resources
Kevin King, Operations Manager
Jeremy Costello, Engineering Technician II

Directors Absent:

None

Consulting Staff Present:

David Wysocki, Legal Counsel
Kyle Stuckey, Vavrinek, Trine, Day & Company
Phil White, Vavrinek, Trine, Day & Company

Registered Guests and Others Present:

Bill Dickson, San Geronio Pass Water Agency
John Jeter, San Geronio Pass Water Agency
Ray Morris, San Geronio Pass Water Agency
Amy Olson, Southern California Edison
Dick Siegmund, Customer
Rob Coleman, Customer
Several Commercial Business Customers

The items listed below were presented for discussion.

- I. Call to Order - 4:00 p.m.
- II. Public Comments - General Manager Joseph Zoba recognized the members of the Board of Directors and acknowledged members of the public in attendance. No public comments were provided.
- III. Staff Comments - General Manager Joseph Zoba introduced Amy Olson from Southern California Edison who provided a refund check related to the expansion of the Wochholz Regional Water Recycling Facility.
- IV. Presentations
 - A. Overview of Commercial Sewer Rate Structure [Workshop Memorandum No. 12-001] - General Manager Joseph Zoba provided an overview of the funding requirements related to the low interest State Revolving Fund loan from the State Water Resources Control Board and the single unit and multiple unit commercial rates included within Table 1 of Resolution No. 18-2011 adopted in August 17, 2011. While the existing rate resolution provides a melded rate factor for single and multiple unit commercial customers, there was a consensus to modify the calculation methodology to provide a trigger for multiple unit commercial

complexes that have or add a bakery, laundromat, restaurant, fast food, or supermarket.

V. Operational Updates

- A. Yucaipa Valley Water District Operational Overview for December 2011 [Workshop Memorandum No. 12-002] - General Manager Joseph Zoba provided an overview of the illustrations included in a handout titled, Operational Issues & Activities for the Period Ending December 31, 2012.
- B. Purchase of Replacement Lamps for the Ultraviolet Disinfection Process at the Wochholz Regional Water Recycling Facility [Workshop Memorandum No. 12-003] - Operational Manager Kevin King provided an overview of the need to purchase additional lamps for the ultraviolet disinfection process at the wastewater treatment plant. The District staff proposed the purchase of up to 900 lamps at a purchase price of \$121.80 per lamp. After January 21, 2012, the cost of the lamps will increase to \$268 per lamp.

VI. Capital Improvement Projects

- A. Status Report on the Construction of the Yucaipa Valley Regional Brineline [Workshop Memorandum No. 12-004] - Engineering Manager Brent Anton provided a detailed status report on the construction of the Yucaipa Valley Regional Brineline Project. The main highlight of this presentation was the completion of the Santa Ana River crossing.
- B. Status Report on the Construction of the R-10 Recycled Water Reservoir and Booster Complex [Workshop Memorandum No. 12-005] - Engineering Manager Brent Anton provided an overview of the R-10 Reservoir Project. The project was awarded at the January 4, 2012 board meeting and construction is expected to begin in February 2012.
- C. Status Report on the Construction of the Crow Street Pipeline Facilities [Workshop Memorandum No. 12-006] - Engineering Manager Brent Anton provided an overview of the Crow Street Pipeline Project. This project is expected to begin in Spring/Summer 2012.
- D. Status Report on the Construction of the Wochholz Improved Salinity Effluent (WISE) Project [Workshop Memorandum No. 12-007] - Operations Manager Kevin King provided an overview of the WISE project which will enable the District to desalt the recycled water source at the Wochholz Regional Water Recycling Facility pursuant to Regional Water Quality Control Board requirements.

VII. Administrative Issues

- A. Unaudited Financial Report for December 2011 [Workshop Memorandum No. 12-008] - Controller Vicky Elisalda provided an overview of the unaudited financial report for December 2011.
- B. Single Audit Report for Period Ending June 30, 2011 [Workshop Memorandum No. 12-009] - Controller Vicky Elisalda introduced Phil White and Kyle Stuckey from the auditing firm Vavrinek, Trine, Day & Company who provided an overview of the Single Audit Report.
- C. Appointment of Individuals as Representatives in Small Claims Court [Workshop Memorandum No. 12-010] - General Manager Joseph Zoba provided an overview of the routine appointment of individuals for small claims court actions.

- D. Statement of Investment Policy for the Yucaipa Valley Water District [Workshop Memorandum No. 12-011] - Controller Vicky Elisalda provides an overview of the Investment Policy.
 - E. Biological Compliance Services by Dudek Related to the Construction of the Yucaipa Valley Regional Brineline - Phase 3 [Workshop Memorandum No. 12-012] - Resource Sustainability Manager Jennifer Ares provided an overview of the biological consulting services provided by Dudek for the construction of the Yucaipa Valley Brineline beneath the Santa Ana River.
 - F. Construction Management Services by Krieger & Stewart for the Pressure Zone 10 Recycled Water Reservoirs and Booster Station Complex [Workshop Memorandum No. 12-013] - Engineering Manager Brent Anton provided an overview of the construction management services contract for the R-10 Recycled Water Reservoir and Booster Complex.
 - G. Construction Management Services by Separation Processes, Inc. for the Construction of the Wochholz Improved Salinity Effluent (WISE) Facility [Workshop Memorandum No. 12-014] - General Manager Joseph Zoba provided a draft proposal related to construction management services for the reverse osmosis equipment installation at the wastewater treatment plant.
 - H. Damage Claim Related to a Leak on Private Property at 12555 Fremont Street, Yucaipa [Workshop Memorandum No. 12-015] - Assistant General Manager Jack Nelson provided an overview of the claim for damages at 12555 Fremont Street, Yucaipa with a recommendation to deny the claim.
- VIII. Director Comments - There were no comments from the members of the Board of Directors.
- IX. Closed Session - There was no closed session.
- X. Adjournment - The meeting was adjourned at 6:00 p.m.

Respectfully submitted,

Joseph B. Zoba, Secretary

BOARD REPORTS

Yucaipa Valley Water District

Notice and Agenda of a Board Workshop

Tuesday, January 10, 2012 at 4:00 p.m.

MEETING LOCATION: District Administration Building
12770 Second Street, Yucaipa

MEMBERS OF THE BOARD: Director Ian Cuthbertson, Division 1
Director Bruce Granlund, Division 2
Director Jay Bogh, Division 3
Director Lonni Granlund, Division 4
Director Hank Wochholz, Division 5

I. Call to Order

II. Public Comments At this time, members of the public may address the Board of Directors on matters within its jurisdiction; however, no action or significant discussion may take place on any item not on the meeting agenda.

III. Staff Comments

IV. Presentations

- A. Overview of Commercial Sewer Rate Structure [[Workshop Memorandum No. 12-001 - Page 3 of 124](#)]

V. Operational Updates

- A. Yucaipa Valley Water District Operational Overview for December 2011 [[Workshop Memorandum No. 12-002 - Page 16 of 124](#)]
B. Purchase of Replacement Lamps for the Ultraviolet Disinfection Process at the Wochholz Regional Water Recycling Facility [[Workshop Memorandum No. 12-003 - Page 17 of 124](#)]

VI. Capital Improvement Projects

- A. Status Report on the Construction of the Yucaipa Valley Regional Brineline [[Workshop Memorandum No. 12-004 - Page 19 of 124](#)]
B. Status Report on the Construction of the R-10 Recycled Water Reservoir and Booster Complex [[Workshop Memorandum No. 12-005 - Page 23 of 124](#)]

Any person with a disability who requires accommodation in order to participate in this meeting should telephone Erin Anton at (909) 797-5117, at least 48 hours prior to the meeting in order to make a request for a disability-related modification or accommodation.

Materials related to an item on this agenda submitted to the Board of Directors after distribution of the workshop packet are available for public inspection during normal business hours at the District office located at 12770 Second Street, Yucaipa. Meeting material is also be available on the District's website at www.yvwd.dst.ca.us

- C. Status Report on the Construction of the Crow Street Pipeline Facilities [[Workshop Memorandum No. 12-006 - Page 25 of 124](#)]
- D. Status Report on the Construction of the Wochholz Improved Salinity Effluent (WISE) Project [[Workshop Memorandum No. 12-007 - Page 26 of 124](#)]

VII. Administrative Issues

IX. Closed Session

- A. Conference with Real Property negotiator(s) (Government Code 54956.8)
Property: Assessor's Parcel Number: 301-201-29
Agency Negotiator: Joseph Zoba, General Manager
Negotiating Parties: Palmer General Corporation
Under Negotiation: Terms of Payment and Price

X. Adjournment

**Economic Development Advisory Committee
Regular Meeting
Agenda**

January 12, 2012 - 5:30 PM

**Community Meeting Room - Yucaipa City Hall
34272 Yucaipa Boulevard, Yucaipa, California**

ANY PUBLIC WRITINGS DISTRIBUTED BY THE CITY TO AT LEAST A MAJORITY OF THE COMMITTEE MEMBERS REGARDING ANY ITEM ON THIS REGULAR MEETING AGENDA WILL BE MADE AVAILABLE AT THE PUBLIC SERVICE COUNTER AT CITY HALL, 34272 YUCAIPA BOULEVARD, DURING NORMAL BUSINESS HOURS.

- I. Call to Order**
- II. Approval of Minutes (September 8, 2011)**
- III. Public Comment**
- IV. Review of Current Development**
- V. Old Business**
 - 1. Uptown Music and Arts Festival (May 4th, 5th, and 6th)**
 - 2. Committee Structure and Membership**
 - A. Nominations for Public-At-Large Alternate**
 - B. Nominations for Local Developer Alternate**
 - 3. Innovation Economy Connect Center**
 - 4. Community Information Sign**
- VI. New Business**
 - 1. Recruitment of New Businesses**
 - A. Letter Writing Campaign**
 - B. Welcome to Yucaipa Committee**
- VII. Round Table**
- VIII. Adjourn**

The next EDAC meeting is scheduled for **March 8, 2012**

STAFF REPORT

DISCUSSION ITEMS

Director Memorandum 12-004

Date: January 18, 2012

Prepared By: Joseph Zoba, General Manager

Subject: Adoption of Resolution No. 03-2012 Updating Table 1 - Commercial Sewer Rate Factors of Resolution No. 18-2011

Recommendation: That the Board adopts Resolution No. 03-2012 as presented.

On August 17, 2011, the Yucaipa Valley Water District Board of Directors adopted Resolution No. 18-2011 Setting Rates, Fees and Charges for Water, Sewer and Recycled Water Service.

One particular section of this resolution provides for the calculation of sewer service charges for commercial and industrial customers based on the following factors:

- Daily Sewer Service Charge - This factor is the fixed monthly charge per equivalent dwelling unit as identified in Section 5.1 of the resolution;
- Commercial/Industrial Rate Factor - This factor varies for different business types and is based on the characteristic strength of sewage generated from commercial and industrial customers in terms of biological oxygen demand (BOD) and the suspended solids (SS); and
- Water Consumption - This factor is used to characterize the quantity of sewage discharged by the business.

These three factors are applied as follows to calculate the sewer service charge for businesses:

$$\begin{array}{ccccccc} \textit{Commercial /} & & \textit{Daily Sewer} & & \textit{Commercial /} & & \textit{Water} \\ \textit{Industrial} & & \textit{Service} & & \textit{Industrial} & & \textit{Consumption} \\ \textit{Sewer Service} & = & \textit{Charge} & \times & \textit{Rate Factor} & \times & \textit{(kgal)} \\ \textit{Charge} & & \textit{(Section 5.1)} & & \textit{(see Table 1)} & & \end{array}$$

The District has conducted workshops to review and evaluate the implementation of business classifications applied to single and multiple unit commercial complexes as provided in Resolution No. 18-2011. Based on the discussions and input received, the District staff proposes to update the commercial sewer rate factor table to eliminate the designation of single and multiple unit commercial complexes. Instead, the commercial sewer rate factor will be based on the type of business within a commercial complex.

The updated version of Table 1 is attached illustrating the proposed changes.

Table 1
Commercial Sewer Rate Factors

Type of Business	BOD (mg/l)	SS (mg/l)	Commercial Rate Factors without a separate landscape meter	Commercial Rate Factors with a separate landscape meter
Automobile - Car Wash	20	150	2.06	2.74
Automobile - Repair Shop	180	280	3.67	4.89
Automobile - Gas Station	150	150	2.78	3.70
Automobile - Steam Cleaning	1150	1250	14.44	19.26
Bakery	1000	600	10.00	13.33
College	130	100	2.39	3.19
Commercial - <u>Category "A"</u> <u>Single Unit</u>	<u>130</u> <u>290</u>	<u>80</u> <u>290</u>	<u>2.28</u> <u>4.33</u>	<u>3.04</u> <u>5.78</u>
Commercial - <u>Category "B"</u> <u>Multiple Unit</u>	410	315	5.14	6.85
Department / Retail Store	150	150	2.78	3.70
Fast Food	340	315	4.75	6.33
Hospital & Convalescent	250	100	3.06	4.07
Hotel with Dining Facility	500	600	7.22	9.63
Hotel without Dining Facility	310	120	3.50	4.67
Laundromat - Commercial	670	680	8.61	11.48
Laundromat - Local	150	110	2.56	3.41
Mortuary	800	800	10.00	13.33
Professional Office	130	80	2.28	3.04
Restaurant	1,000	600	10.00	13.33
Rest Stop	200	200	3.33	4.44
Supermarket	800	800	10.00	13.33

Commercial - Category "A" - These Commercial Sewer Rate Factors shall apply to single unit or multiple unit commercial customer classifications **without** a bakery, laundromat, restaurant, fast food, or supermarket included in the water consumption calculation for determining commercial and industrial sewer service charges.

Commercial - Category "B" - These Commercial Sewer Rate Factors shall apply to multiple unit commercial customer classifications **with** a bakery, laundromat, restaurant, fast food, supermarket, or other designated Type of Business described above included in the water consumption calculation for determining commercial and industrial sewer service charges.

RESOLUTION NO. 03-2012**RESOLUTION OF THE BOARD OF DIRECTORS OF THE
YUCAIPA VALLEY WATER DISTRICT UPDATING TABLE 1
COMMERCIAL SEWER RATE FACTORS OF RESOLUTION NO. 18-2011**

WHEREAS, the Yucaipa Valley Water District (the "District") is a public agency of the State of California organized and existing pursuant to the provisions of the County Water District Law of this State (Section 30000, et seq. of the Water Code); and

WHEREAS, on August 17, 2011 the Board of Directors passed, approved and adopted Resolution No. 18-2011 Setting Rates, Fees and Charges for Water, Sewer and Recycled Water Service; and

WHEREAS, Resolution No. 18-2011 specifically provides a formula for determining the sewer service charge for all commercial and industrial customers based on the type of business as identified in Table 1, Commercial Sewer Rate Factors; and

WHEREAS, the Board of Directors desires to revise the definition and classification of single unit commercial customers and multiple unit commercial customers as provided in Table 1 of Resolution No. 18-2011.

NOW, THEREFORE, the Board of Directors of Yucaipa Valley Water District hereby RESOLVE, DETERMINE, AND ORDER as follows:

1. Table 1, *Commercial Sewer Rate Factors* adopted as part of Resolution No. 18-2011 on August 17, 2011 shall be superseded with Table 1, *Commercial Sewer Rate Factors* attached to this Resolution.
2. All remaining portions of Resolution No. 18-2011 shall remain in full force and effect.

PASSED, APPROVED and ADOPTED this 18th day of January 2012.

YUCAIPA VALLEY WATER DISTRICT

ATTEST:

Jay Bogh, President Board of Directors

Joseph B. Zoba, General Manager

Commercial - Category "A" - These Commercial Sewer Rate Factors shall apply to single unit or multiple unit commercial customer classifications without a bakery, laundromat, restaurant, fast food, or supermarket included in the water consumption calculation for determining commercial and industrial sewer service charges.

Commercial - Category "B" - These Commercial Sewer Rate Factors shall apply to multiple unit commercial customer classifications with a bakery, laundromat, restaurant, fast food, supermarket, or other designated Type of Business described above included in the water consumption calculation for determining commercial and industrial sewer service charges.

Director Memorandum 12-005

Date: January 18, 2012

Prepared By: Vicky Elisalda, Controller
Peggy Little, Administrative Supervisor

Subject: Unaudited Financial Report for December 2011

Recommendation: That the Board receives and files the unaudited financial report as presented.

The following unaudited financial report has been prepared by the Administrative Department for your review. The report has been divided into six sections to clearly disseminate information pertaining to the financial status of the District. Please remember that the following financial information has not been audited.

Cash Fund Balance Report

The Cash Fund Balance Report provides a summary of how the total amount of funds maintained by financial institutions is distributed throughout the enterprise and non-enterprise funds of the District. A summary of the report is as follows:

Fund Source	Operating Funds	Restricted Funds	Total Funds
Water Division	\$439,431.78	\$6,229,011.31	\$6,668,443.09
Sewer Division	(\$3,345,883.59)	\$6,501,571.80	\$3,155,688.21
Recycled Water Division	<u>(\$2,255,464.50)</u>	<u>\$681,959.60</u>	<u>(\$1,573,504.90)</u>
Total	(\$5,161,916.31)	\$13,412,542.71	\$8,250,626.40

Most of the funds reflected in the Cash Fund Balance Report are designated for specific purposes and are therefore restricted, either by law or by District policy.

Check Register

The check register lists each check processed during the month of December 2011. The District processed 237 checks during the month of December for a total sum of \$2,419,592.73. All checks are reviewed by District staff for accuracy and completeness, and usually signed by the General Manager and one Director, but may be signed by two Directors.

The Controller will make any check, invoice or supporting documentation available for review to any board member upon request.

Financial Account Information

The District currently deposits all revenue received into the Deposit Checking account. The General Checking account is used as a sole processing account for all District checks and electronic payroll. The Investment Checking account is used for the purchase and redemption of US treasury notes and bills and for the transfer of LAIF funds. The US treasury notes and bills are booked at cost.

The LAIF investment account is a pooled money account administered by the State of California. Additional information on the LAIF account is provided below in the investment summary report.

Investment Summary

The investment summary report illustrates the District's investments in US treasury notes and bills in addition to the investments held by the Local Agency Investment Fund or LAIF. The yields for the treasury notes and bills are provided for each individual transaction. The historical annual yield for funds invested with LAIF is also provided.

Separate pooled money investment reports prepared by the State of California are maintained by the District and available for review.

Monthly Revenue Allocation

During the month of December 2011 the District received a sum total of \$2,607,145.66 in revenues from the following categories:

- A total of \$1,537,796.57 was received from 13,932 customers for utility bill payments. This is the total amount of utility bill payments received from water, sewer and recycled services.
- A total of \$2,523.00 was received for construction meter deposits, customer deposits and internet fee payments.
- A total of \$1,029,091.21 was received from miscellaneous water related activities (other than utility bill charges). This total includes \$38,226.39 for Riverside property taxes and \$964,204.95 for San Bernardino property taxes.
- A total of \$17,614.08 was received from miscellaneous sewer related activities (other than utility bill charges).
- A total of \$20,120.80 was received from miscellaneous recycled related activities (other than utility bill charges). This total includes \$19,521 facility capacity fees received from City of Yucaipa for uptown irrigation service
- The District received ARRA draw #17 in the amount of \$245,984 on December 22nd..

Fiscal Year 2012 Budget Status

The revenue and expense budget status for the 2012 Fiscal Year is provided for your review.

**Summary of Revenue Budget
As of December 31, 2011 (46% of Budget Cycle)**

<u>Division</u>	<u>Budget Amount</u>	<u>Current Month</u>	<u>Year-To-Date</u>	<u>Percentage</u>

District Expenses	23,677,020	4,135,274	12,988,388	54.9

Investment Policy Disclosure

The District is currently compliant with the portfolio of its Investment Policy and State Law.

The District is using Sandy Gage with Merrill Lynch Wealth Management (Bank of America Corporation) for Treasury investments. The District expects to meet its expenditure requirements for the next six months.

Questions or Comments

If you have any questions about a particular budget account, please do not hesitate to contact the Controller directly. If you need additional information, the members of the Administrative Department would be happy to provide you with any detailed information you may desire.

Director Memorandum 12-006

Date: January 18, 2012

Prepared By: Vicky Elisalda, Controller

Subject: Single Audit Report for the Period Ending June 30, 2011

Recommendation: That the Board receives and files the Single Audit Report as presented.

On November 2, 2011, the Board of Directors received and filed the audited financial report for the period ending June 30, 2011 [Director Memorandum No. 11-099]. Normally, the attached single audit report is included as part of the audited financial statements. The single audit report is now complete and attached for your review.

The single audit report identified three findings related to the federal fund received from the Environmental Protection Agency. In each case, the District staff has taken steps to correct the deficiencies as we continue with the construction phase of the project.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Yucaipa Valley Water District
Yucaipa, California

We have audited the financial statements of the Water, Sewer, and Recycled Water Enterprise Funds of the Yucaipa Valley Water District (the District) as of and for the year ended June 30, 2011, which collectively comprise the District's basic financial statements and have issued our report thereon dated October 24, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of the District is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the District's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to management of the District in a separate letter dated October 24, 2011.

This report is intended solely for the information and use of the District's Board, management, federal agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Rancho Cucamonga, California
October 24, 2011

DRAFT COPY 12/29/11.1

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS
THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM,
INTERNAL CONTROL OVER COMPLIANCE AND THE SCHEDULE OF EXPENDITURES OF
FEDERAL AWARDS IN ACCORDANCE WITH OMB CIRCULAR A-133**

Board of Directors
Yucaipa Valley Water District
Yucaipa, California

Compliance

We have audited the Yucaipa Valley Water District's (District) compliance with the types of compliance requirements described in the OMB *Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the District's major federal programs for the year ended June 30, 2011. The District's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the District's management. Our responsibility is to express an opinion on the District's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB *Circular A-133 Audits of States, Local Governments and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the District's compliance with those requirements.

In our opinion, the District complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2011. However, the results of our auditing procedures disclosed instances of noncompliance with those requirements, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs noted as item numbers 2011-01 through 2011-03.

Internal Control Over Compliance

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the District's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, we identified certain deficiencies in internal control over compliance that we consider to be significant deficiencies as described in the accompanying schedule of findings and questioned costs as items 2011-01 through 2011-03. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Schedule of Expenditures of Federal Awards

We have audited the financial statements of the Water, Sewer and Non-Potable Enterprise Funds of the District as of and for the year ended June 30, 2011, and have issued our report thereon dated October 24, 2011. Our audit was performed for the purpose of forming our opinions on the financial statements that collectively comprise the District's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements as a whole.

The District's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit the District's responses and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the Board of Directors, District management, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

YUCAIPA VALLEY WATER DISTRICT

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

JUNE 30, 2011

DRAFT COPY 12/29/11.1

NOTE #1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**A. General**

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all federal award programs of the Yucaipa Valley Water District (District). The District's reporting entity is defined in Note 1 of the District's basic financial statements. All federal awards received directly from federal agencies as well as federal awards passed through from other government agencies are included on the Schedule of Expenditures of Federal Awards.

B. Basis of Accounting

The accompanying Schedule of Expenditures of Federal Awards is presented using the accrual basis of accounting, which is described in Note #1 of the District's Financial Statements.

C. Relationship to Federal Financial Reports

Amounts reported in the accompanying Schedule of Expenditures to Federal Awards agree with the amounts reported in the related federal financial reports. However, certain federal financial reports are filed based on cash expenditures. As such, certain timing differences may exist in the recognition of revenues and expenditures between the Schedule of Expenditures of Federal Awards and the federal financial reports.

NOTE #2 – EXPENDITURES CFDA NO. 66.202

During the fiscal year ended June 30, 2011, the District claimed federal expenditures in the amount of \$690,571. Of the total expenditures reported, \$269,065 represents expenditures which were previously claimed under CFDA No. 66.202 during fiscal years ended June 30, 2010 and June 30, 2009. The costs incurred for the fiscal year ended June 30, 2010 and June 30, 2009 were allowable expenditures during the periods thereof. However, during the fiscal year ended June 30, 2011, the District's management applied the federal funds, previously received, to a different eligible project of the current period. A summary is as follows:

CFDA #	Description	Expenditures	Reclassified Expenditures
66.202	June 30, 2010 SEFA balance	\$ 341,625	
	Re-allocated June 30, 2010 expense	(5,795)	(5,795)
	Adjusted June 30, 2010 balance	<u>\$ 335,830</u>	
66.202	June 30, 2009 SEFA balance	\$ 551,718	
	Re-allocated June 30, 2009 expense	(263,271)	(263,271)
	Adjusted June 30, 2010 balance	<u>\$ 288,447</u>	
	June 30, 2011 re-allocated costs		<u><u>\$ (269,066)</u></u>

YUCAIPA VALLEY WATER DISTRICT

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

FOR THE YEAR ENDED JUNE 30, 2011

III. FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

Finding 2011-01**Program:** Congressionally Mandated Projects**CFDA No.:** 66.202**Federal Grantor:** Environmental Protection Agency**Award No.:** XP-98938401-2**Award Year:** Various**Compliance Requirement:** Reporting**Criteria:**

The agreement between the District and the Environmental Protection Agency identifies various reports that must be submitted on a quarterly or annual basis.

Condition:

Instance of Non-Compliance - We noted that the Financial Status Report, Form 425 pertaining to the quarter end September 30, 2010 was submitted 19 days after December 31, 2010 deadline.

Questioned Costs:

None

Context:

The condition noted above was identified during our examination of the District's compliance with reporting requirements and follow-up to item 2010-01, reported in the prior year single audit report.

Effect:

There is an increased risk with noncompliance with reporting requirements outlined in the District's agreement with the Environmental Protection Agency.

Cause:

The District's procedures did not ensure that all required reports were submitted timely.

Recommendation:

We recommend that the District enhance procedures to ensure that reporting requirements are satisfied on a timely basis.

View of Responsible Official and Planned Corrective Action:

The District concurs with the finding and is working closely with District's consultant to implement procedures to ensure that reporting requirements are satisfied on a timely basis.

DRAFT COPY 12/29/11.1

YUCAIPA VALLEY WATER DISTRICT

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

FOR THE YEAR ENDED JUNE 30, 2011

III. FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

Finding 2011-02**Program:** Congressionally Mandated Projects**CFDA No.:** 66.202**Federal Grantor:** Environmental Protection Agency**Award No.:** XP-98938401-2**Award Year:** Various**Compliance Requirement:** Cash Management**Criteria:**

OMB Circular A-133 compliance guidance requires local governments to establish procedures to minimize the time elapsing between receipt of federal funds and disbursement of those funds. Additionally, governments should ensure disbursement of funds prior to requesting reimbursement.

Condition:

Instance of Non-Compliance; Significant Deficiency – The District did not maintain procedures to ensure appropriate management of cash received in advance of reimbursable allowable grant expenditures. During the current period, the District re-assigned amounts previously reimbursed during fiscal year 2010 to expenditures received for the fiscal year ended June 30, 2011. For additional discussion refer to finding 2011-03. As a result, the effect of re-assigning the federal awards is that the funds were drawn down prior to the related expenditure.

Questioned Costs:

None

Context:

The condition noted above was identified during our examination of the District's compliance with cash management requirements related to federal awards received in advance of claimable grant expenditures.

Effect:

The District obtained reimbursement in advance of federal expenditures. The District did not evaluate interest earnings on federal funds received in advance of reimbursement. Accordingly, the District increases its risk of non-compliance with cash management.

Cause:

The District's procedures did not ensure that monies claimed but not utilized for allowable grant expenditure were tracked in accordance with cash management requirements. Further, the District did not evaluate interest earnings on advanced funds for approval of use or reimbursement back to the federal government.

DRAFT COPY 12/29/11.1

YUCAIPA VALLEY WATER DISTRICT**SCHEDULE OF FINDINGS AND QUESTIONED COSTS****FOR THE YEAR ENDED JUNE 30, 2011****III. FEDERAL AWARD FINDINGS AND QUESTIONED COSTS****Recommendation:**

We recommend that the District strengthen its procedures to comply with compliance requirements related to cash management of federal awards.

View of Responsible Official and Planned Corrective Action:

The District concurs with the finding and is working closely with District's consultant to implement procedures to ensure that compliance related to cash management of federal awards is being handled properly.

Finding 2011-03**Program:** Congressionally Mandated Projects**CFDA No.:** 66.202**Federal Grantor:** Environmental Protection Agency**Award No.:** XP-98938401-2**Award Year:** Various**Compliance Requirement:** Allowable Costs**Criteria:**

The District should maintain a system of internal control to ensure that federal awards are applied to specific projects in a timely manner.

Condition:

Significant Deficiency – The District obtained reimbursement of federal funds for costs on eligible projects during fiscal year ended June 30, 2010 and June 30, 2009. During the current year, the District re-assigned those reimbursed funds to costs of another project of the current period.

Questioned Costs:

None

Context:

The federal funds previously reimbursed were for costs related to Phase 2 & 3 of the District's Brineline project which was federally eligible. However, in evaluating matching requirements and other funding sources, the District's management determined that such funds would more appropriately be utilized for costs of the San Timoteo Outfall project (incurred during the fiscal year ended June 30, 2011).

Effect:

The control environment over allowable costs is weakened. In addition, this practice weakens the audit trail of expenditures paid for by federal funds amongst fiscal years.

DRAFT COPY 12/29/11.1

YUCAIPA VALLEY WATER DISTRICT**SCHEDULE OF FINDINGS AND QUESTIONED COSTS****FOR THE YEAR ENDED JUNE 30, 2011****III. FEDERAL AWARD FINDINGS AND QUESTIONED COSTS****Cause:**

The District did not maintain procedures to clearly identify the components of the projects and related financing sources to ensure that federal funds are applied to expenditures in a timely manner.

Recommendation:

We recommend that the District strengthen its procedures over identifying project components that will be financed with federal funds and obtaining reimbursement after such expenditures are incurred.

Views of Responsible Official and Planned Corrective Action:

The District concurs with the finding and is working closely with District's consultant to implement procedures to ensure that the proper project components are being used and that reimbursement requests are transmitted timely.

DRAFT COPY 12/29/11.1

Director Memorandum 12-007

Date: January 18, 2012

Prepared By: Kevin King, Operations Manager

Subject: Purchase of Replacement Lamps for the Ultraviolet Disinfection Process at the Wochholz Regional Water Recycling Facility

Recommendation: That the Board authorizes the purchase of 900 ultraviolet lamps for a sum not to exceed \$118,115 from Trojan Technologies.

The Wochholz Regional Water Recycling Facility utilizes a Trojan 3000+ ultraviolet system for disinfecting the final recycled water produced at the facility. The California Department of Public Health regulates ultraviolet disinfection systems in the State of California and requires the individual ultraviolet lamps be replaced prior to exceeding 9,000 hours of operation, or approximately one year of continuous usage.

The Wochholz Regional Water Recycling Facility was designed with two ultraviolet disinfection channels with each channel containing 180 lamps, or 360 lamps total for the entire facility.

The original procurement documents for the ultraviolet disinfection system provided for guaranteed replacement pricing on the ultraviolet lamps. The current guaranteed replacement pricing is scheduled to expire on January 21, 2012. Lamps purchased before this date cost \$121.80 per lamp, for a total cost (including tax) of \$23,623 per channel, or \$47,246 for both channels. Lamps purchased after this date will cost \$268.00 per lamp, for a total (including tax) of \$51,978 per channel, or \$103,956 for both channels.

The District staff has been staggering the usage of the ultraviolet lamps in each channel to insure disinfection compliance and reduce the impacts of a negative cash flow throughout each fiscal year. Based on current conditions, the District staff expects to change one channel of ultraviolet lamps during the last half of this fiscal year and the other channel of ultraviolet lamps during the first half of next fiscal year (August 2012).

At a minimum, the District should purchase at least 720 ultraviolet lamps at the guaranteed price for a total of \$94,492. This should provide sufficient quantities to last about two years, or through December 2013. The purchase of 900 ultraviolet lamps at a total cost of \$118,115 would provide sufficient quantities to last through the end of fiscal year 2014 (June 2014).

November 23, 2007

TrojanUV3000Plus™ Amalgam Lamp Limited Warranty

Warranty Coverage: The following warranty applies to Trojan Technologies Low Pressure Lamps (the "Lamps") for the TrojanUV3000Plus™. The warranty is only valid with respect to a Lamp that is properly stored, handled and installed as specified in the Operation and Maintenance manual supplied with the system in which the Lamp is installed or as outlined in Product Bulletins. Without limiting the generality of the foregoing, any excess vibration or improper operation of a Lamp shall void this warranty. In addition, Trojan Technologies shall not be liable for any Lamp failure which results from UV equipment not being operated and maintained in strict accordance with the instructions set out in the Operation and Maintenance manual or as outlined in Product Bulletins.

In order to process any Lamp warranty claim, Trojan Technologies requires the Customer to provide a copy of the operator's log, all maintenance records and a completed Warranty Claim Form (see attachment) within one (1) month of the lamp failure. Failure to meet these conditions will void the Lamp warranty.

Trojan Technologies also reserves the right to require the Customer to return a failed Lamp to Trojan Technologies' facilities for inspection. Failure to return the Lamp when requested shall void the warranty.

Period of Coverage: Where a Lamp has been stored, handled and installed as specified in the Operation and Maintenance manual or as outlined in Product Bulletins, and the relevant UV equipment has been operated and maintained in accordance with instructions specified in the Operation and Maintenance manual, and:

1. The Lamp fails within the first 9,000 hours of operation, Trojan Technologies shall provide the Customer with a replacement Lamp free of charge.
2. The Lamp fails after 9,000 hours and prior to 12,000 hours of operation, Trojan Technologies shall provide the Customer with a replacement Lamp at a discounted price. The following formula is used to determine the discounted price for replacement Lamps:

$$\text{Replacement Lamp Price} = ((\text{Lamp Operating Hours}) / 12,000 \times \text{Lamp List Price})$$

Regardless of actual Lamp operating hours, the Lamp warranty is void if the date of Lamp failure occurs more than thirty-six (36) calendar months after the Lamp shipment date from Trojan Technologies.

The above operating conditions of Lamps are based on 4 On/Off cycles, on average per 24 hour period, when operated in automatic mode.

Limitations: This limited warranty does not cover:

- Lamps that have been used with parts not supplied or approved by Trojan Technologies
- Lamps that have been physically damaged or fail due to corrosion, exposure to contaminants (e.g. effluent), incorrect installation or operation,
- Costs related to removal, installation, or troubleshooting
- Damage caused by improper return packaging
- Taxes, duties or brokerage fees (if any)

The above warranty is the exclusive remedy for all claims based on a failure of or defect in a Lamp, whether the claim is based on contract (including fundamental breach), tort (including negligence), strict liability or otherwise. This warranty is in lieu of all other warranties whether written, oral, implied or statutory. Without limitation, no warranty of merchantability or of fitness for a particular purpose shall apply to a Lamp.

Trojan Technologies does not assume any liability for personal injury or property damage caused by use or misuse of a Lamp. Trojan Technologies shall not in any case be liable for special, incidental, indirect or consequential damages, even if it has been advised of the possibility thereof. Trojan Technologies' liability shall not, in any case, exceed the cost of replacement of a defective Lamp.

Director Memorandum 12-008

Date: January 18, 2012

Prepared By: Joseph Zoba, General Manager

Subject: Appointment of District Representatives for Small Claims Court

Recommendation: That the Board adopts Resolution No. 02-2012 as presented.

Every year the District updates and adopts a resolution appointing representatives to act on behalf of the District in small claims court.

The District staff recommends the following individuals be assigned to represent the District in small claims court: Joseph Zoba; Jack Nelson; Brent Anton; Vicky Elisalda; Peggy Little; and Chelsie Fogus.

RESOLUTION NO. 02-2012**A RESOLUTION APPOINTING A CORPORATE REPRESENTATIVE TO SMALL CLAIMS COURT**

UNREPRESENTED PARTY (Name and Address): Yucaipa Valley Water District 12770 Second Street, Yucaipa, California 92399		TELEPHONE NUMBER (909) 797-5119	FOR COURT USE ONLY

**A RESOLUTION OF THE YUCAIPA VALLEY WATER DISTRICT
APPROVING AN INVESTMENT POLICY AND APPOINTING THE GENERAL MANAGER
AS THE DISTRICT INVESTMENT OFFICER**

WHEREAS, California Government Code, Section 53646, requires the annual adoption of an investment policy.

NOW, THEREFORE, the Yucaipa Valley Water District hereby resolves as follows:

Section 1: Adoption of Investment Policy.

Pursuant to Government Code 53600 et seq., the “Yucaipa Valley Water District Statement of Investment Policy” is hereby approved as attached hereto and incorporated herein by this reference.

Section 2: Appointment of Investment Officer.

The General Manager of the District is hereby appointed as the District’s Investment Officer and is authorized and directed to do all things necessary to implement the Investment Policy.

PASSED AND ADOPTED this 18th day of January 2012.

YUCAIPA VALLEY WATER DISTRICT

Jay Bogh, President Board of Directors

ATTEST:

Joseph B. Zoba, General Manager

STATEMENT OF INVESTMENT POLICY

January 18, 2012

INTRODUCTION

The purpose of this policy is to provide broad guidelines to the District Investment Officer, who is charged with the responsibility for the investment of funds for the District. All investments by the District shall be governed by State law and by this policy.

The District Investment Officer is responsible for administering the District's investments. In furtherance of this responsibility, the District Investment Officer shall issue and administer detailed Investment Instructions which may change periodically and which will implement this Investment Policy. The investment of bond proceeds will be further restricted by the provisions of relevant bond documents.

POLICY GUIDELINES

1) Prudence

The standard of prudence to be used by the District Investment Officer shall be the "prudent person" standard and shall be applied in the context of managing an overall portfolio. All persons investing, reinvesting, purchasing, acquiring, exchanging, selling, and managing public funds shall act with care, skill, prudence and diligence in order to safeguard the principal amount of the investments and maintain the liquidity needs of the District.

2) Objectives

The primary objectives, in priority order, of the District's investment activities shall be:

- A. Safety of Principal. The investments shall be undertaken in a manner that seeks to ensure preservation of capital in the portfolio.
- B. Liquidity. The investment portfolio will remain sufficiently liquid to enable the District to meet its cash flow requirements.
- C. Return on Investment. The investment portfolio shall be designed with the objective of attaining a market rate of return on its investments consistent with the constraints imposed by its safety objective and cash flow requirements.

3) Delegation of Authority

The management and oversight responsibility for the investment program is hereby delegated to the District Investment Officer who shall monitor and review all investments for consistency with this investment policy. No person may engage in an investment transaction except as provided under the limits of this policy. The District Investment Officer shall maintain investment instructions for internal and external management of investments consistent with State

Government Code requirements. The District may contract for the use of investment manager services subject to all other provisions of this Investment Policy. The District Investment Officer shall maintain a list of authorized broker/dealers and financial institutions that are approved for investment purposes, and it shall be the policy of the District to purchase securities only from those authorized institutions or firms.

4) Investment Oversight Committee

There is hereby established an Investment Oversight Committee, which shall consist of the Investment Officer, the District's Controller and two members of the Board of Directors who are also members of the Board's Finance Committee.

It shall be the responsibility of the Committee to:

- A. Review changes in investment practices of the Investment Officer for compliance with the Investment Policy and investment transaction instructions and procedures;
- B. Review the District's monthly Unaudited Financial Report for adherence to this Investment Policy and investment instructions and procedures in the event that said Report is not presented at a workshop of the Board; and
- C. Advise the Board of Directors of any deviations from an Investment Policy or any investment instructions or procedures which are deemed imprudent.

To maintain full financial transparency of the District's operations, an unaudited financial report will be provided monthly to all members of the Board of Directors at a workshop meeting prior to being presented at a board meeting. The presentation of the monthly financial report shall be the preferred mechanism to be used to provide all financial information to the entire Board instead of just the members of the Investment Oversight Committee.

5) Ethics and Conflict of Interest

Officers and employees involved in the investment process shall refrain from personal business activities that could conflict with proper execution of the investment program, or which could impair their ability to make impartial decisions. Officers and employees involved in the investment process shall abide by the District's Conflict of Interest Code, California Government Code, Section 1090 and the California Political Reform Act.

6) Authorized and Acceptable Investments

Government Code, Section 53601 sets forth the eligible investments for the District. All investments purchased for the District shall be delivered, either by book entry or physical delivery, to the District's third party custodian. All investments of the District shall have the Yucaipa Valley Water District as registered owner.

- A. As to the District's surplus funds generally (excluding funds from bond proceeds), the District's Investment Officer is authorized to invest such funds as follows:
 - 1. Local Agency Investment Fund - The District Investment Officer may invest in the Local Agency Investment Fund (LAIF) established by the State Treasurer for the benefit of local agencies. There is no minimum investment period and the minimum transaction is \$5,000, in multiples of \$1,000 above that, with a maximum of \$30 million for any agency. The

LAIF offers high liquidity because deposits can be converted to cash in 24 hours and no interest is lost. All interest is distributed to those agencies participating on a proportionate share.

2. Passbook Savings Accounts and Demand Deposit Accounts - For purposes of this policy, passbook savings accounts and demand deposit accounts and bank money-market accounts shall be considered appropriate investments. The District may earn interest on idle funds in such accounts at a federally-insured institution.
 3. United States Government Securities - U.S. Treasury Bills, Notes, Bonds and Certificates of Indebtedness, or those for which the full faith and credit of the United States are pledged for payment of principal and interest and are not subject to any limitations. Since this investment category is considered to be extremely safe and liquid, there is no limitation as to the percentage of the District's portfolio that can be invested in these types of investments.
- B. As to the District's bond proceeds, and subject to the Board's approval, such proceeds may be invested by the District Investment Officer in the following investments authorized under California Government Code, Sections 53601, 53635 and 53635.2:
1. United States Treasury notes, bonds, bills or certificates of indebtedness or other obligations for which the full faith and credit of the United States are pledged for the payment of principal and interest;
 2. Federal agency or United States government-sponsored enterprise obligations, participations, or other instruments, including those issued by or fully guaranteed as to principal and interest by federal agencies or United States government-sponsored enterprises. Certain short-term obligations of agencies or instrumentalities of the United States Government may be backed only by the issuing agency or instrumentality and may not be backed by the full faith and credit of the United States Government. For example, securities issued by the Federal Home Loan Banks and the Freddie Mac are supported only by the credit of the agency or instrumentality that issued them, and not by the United States Government, and securities issued by the Federal Farm Credit System and the Fannie Mae are supported by the agency's or instrumentality's right to borrow money from the U.S. Treasury under certain circumstances;
 3. Registered state warrants or treasury notes or bonds of this state, including bonds payable solely out of the revenues from a revenue-producing property owned, controlled, or operated by this state or by a department, board, agency, or authority of this state.
 4. Bonds, notes, warrants, or other evidences of indebtedness of any local agency within this state, including bonds payable solely out of the revenues from a revenue-producing property owned, controlled or operated by the local agency, or by a department, board, agency, or authority of the local agency.

5. Bankers acceptances (otherwise known as bills of exchange or time drafts) that are drawn on and accepted by a commercial bank which are eligible for purchase by the Federal Reserve System. Such banker's acceptances may not exceed 180 days maturity. No more than forty percent (40%) of the District's money may be invested in such banker's acceptances. No more than thirty percent (30%) of the District's money may be invested in the banker's acceptances of any one commercial bank. The commercial bank shall have the highest short-term letter and numerical rating as provided by Moody's Investors Service, Inc. ("Moody's") or Standard & Poor's Rating Agency ("Standard & Poor's");
6. Commercial paper of "prime" quality of the highest ranking or of the highest letter and number rating as provided for by a nationally recognized statistical-rating organization (NRSRO). The entity that issues the commercial paper shall meet all of the following conditions in either paragraph (a) or paragraph (b):
 - (a) The entity is organized and operating in the United States as a general corporation, and has total assets in excess of \$500 million, and has debt other than commercial paper, if any, that is rated "A" or higher by a NRSRO.
 - (b) The entity is organized within the United States as a special purpose corporation, trust, or limited liability company, has a program wide credit enhancements including, but not limited to, over collateralization, letters of credit or surety bond, and has commercial paper that is rated "A-1" or higher, or the equivalent by an NRSRO.

Commercial paper shall have a maximum maturity of 270 days or less. The District may invest no more than twenty-five percent (25%) of its money in such commercial paper. The District may purchase no more than ten percent (10%) of the outstanding commercial paper of any single issuer;

7. Repurchase agreements with respect to securities described in paragraphs (i) and (ii) above provided that the term of any such repurchase agreement shall be one year or less. A repurchase agreement means a purchase of securities by the District pursuant to an agreement by which the seller will repurchase the securities on or before a specific date at an agreed upon price, thereby establishing the yield during the District's holding period. The yield established for the repurchase agreement is determined by current short-term rates and may be more or less than the interest rate on the underlying securities. The securities underlying a repurchase agreement is, in effect, collateral under the agreement and the securities shall be (otherwise known as bills of exchange or time drafts) delivered to the District by book entry, physical delivery or by third-party custodial agreement. At the time a repurchase agreement is made, the underlying securities shall be valued at one hundred and two percent (102%) or greater of the repurchase price. If an agreement is in effect for more than one day, and, in the

event their value drops below one hundred and two percent (102%) of the repurchase price, the seller to the repurchase agreement shall provide additional securities or money within one business day so that the value of the collateral is not less than one hundred and two percent (102%) of the repurchase price. At the expiration of each agreement, the District receives payment of the repurchase price as a condition for the transfer of the underlying securities back to the Seller;

8. Negotiable certificates of deposit issued by a nationally or state-chartered bank or a state or federal savings association (as defined in Section 5102 of the California Financial Code) a state or federal credit union, or by a state-licensed branch of a foreign bank. Purchases of negotiable certificates of deposit may not exceed thirty percent (30%) of the District's money which may be invested pursuant to this section. The District is prohibited from investing the District's funds, or funds in the custody of the District, in negotiable certificates of deposit issued by a state or federal credit union if a member of the District's Board of Directors, or any person with investment decision making authority with the District, also serves on the Board of Directors, or any committee appointed by the Board of Directors, or the credit committee or the supervisory committee of the state or federal credit union issuing the negotiable certificates of deposit.
9. Shares of beneficial interest issued by diversified management companies (also known as mutual fund companies) that invest in the securities and obligations as authorized by Government Code, Section 53601(a) to (j), (m) and (n) and that comply with investment restrictions contained in Government Code, Section 53630, et. seq. However, a county or party to a reverse repurchase agreement or securities lending agreement is not required to be a primary dealer of the Federal Reserve Bank of New York if the diversified management company's board of directors finds that the counterparty presents a minimal risk of default, and the value of the securities underlying a repurchase agreement or securities lending agreement may be 100% of the sales price of the securities are marked to market daily. The diversified management company in this section shall have attained the highest ranking or the highest letter and numerical ranking provided by not less than 2 NRSROs. The purchase price of shares of beneficial interest shall not include any commission or load that the company may charge and shall not exceed twenty percent (20%) of the District's money that may be invested pursuant to this Statement of Investment Policy. No more than ten percent (10%) of the District's money may be invested in shares of any one mutual fund referenced in this paragraph (ix);
10. Shares of beneficial interest issued by diversified management companies that are money market funds registered with the Securities and Exchange Commission under the Investment Company Act of 1940 (15 U.S.C. Sec. 80(a-l et seq.). The diversified management company shall have attained the highest ranking or the highest letter in numerical ranking provided by no less than 2 NRSROs. The purchase price of shares of beneficial interest shall not include any commission or load that

the companies may charge and shall not exceed twenty percent (20%) of the District's money that may be invested pursuant to this Statement of Investment Policy.

7) Nondiscrimination

Investments shall not knowingly be made in any institution that practices or supports directly or indirectly through its actions discrimination on the basis of race, religion, color, creed, national or ethnic origin, age, gender, or physical disability.

8) Maximum Maturity

Investment maturities shall be based on a review of cash flow forecasts. Maturities will be scheduled so as to permit the District to meet all projected obligations. No investment shall be made in any security, other than a security underlying a repurchase or reverse repurchase agreement that at the time of the investment has a term remaining to maturity in excess of five years.

9) Ineligible Investments

Any security type or structure not specifically approved by this policy and investment instructions is specifically prohibited. Security types that are thereby prohibited to be purchased include, but are not limited to:

- A. Complex derivative structures such as range notes, inverse floaters, or any other complex variable rate or structure note.
- B. Interest-only strips that are derived from a pool of mortgages, or any security that could result in zero interest accrual if held to maturity.

10) Sales Prior to Maturity

Sales prior to maturity are permitted. It is also recognized that in a changing interest rate environment, it may be financially advantageous to sell investments at a book value loss in order to reinvest in a more profitable security.

11) Reporting

The District Investment Officer shall render to the Board of Directors a monthly report which shall include the following information for investments:

- Distribution of funds within all financial accounts maintained by the District;¹
- Summary of investments including the types of investments, maturity date, yield, costs and market value;²
- Detailed money market investment account activity associated with the purchase of U.S. Treasuries;²
- The current balance, accrued interest and historical effective yield of funds managed by the Local Agency Investment Fund (LAIF).²

¹ This report component is contained within the monthly Unaudited Financial Report.

² This report component is contained within the Investment Summary of the monthly Unaudited Financial Report.

The monthly report shall also:

- A. State compliance of the portfolio to this Investment Policy and State law, or state the manner in which the portfolio is not in compliance.
- B. Include a description of any of the District's funds, investments or programs that are under management of contracted parties, including lending programs.
- C. Include a statement denoting the ability of the District to meet its expenditure requirements of the next six months, or provide an explanation as to why sufficient money shall, or may, not be available.

The District Investment Officer shall annually render to the Board of Directors a Statement of Investment Policy, which the Board of Directors shall consider at a public meeting.

12) Interest Allocation

The District Investment Officer shall allocate interest pursuant to an Interest Allocation Schedule. A list of funds eligible to receive interest shall be maintained by the District Investment Officer.

Director Memorandum 12-010

Date: January 18, 2012

Prepared By: Jennifer Ares, Resource Sustainability Manager

Subject: Amendment No. 1 to Task Order No. 3 for Biological Compliance Activities Related to the Yucaipa Valley Regional Brineline

Recommendation: That the Board approves Amendment No. 1 to Task Order No. 3 for a sum not-to-exceed \$19,775 for biological monitoring services.

At the regular meeting on August 17, 2011, the Board awarded a contract to Dudek to provide biological compliance services related to the construction of the Yucaipa Valley Regional Brineline under the Santa Ana River [Director Memorandum No. 11-082]. While the contract was approved as Amendment No. 15 to previous work by Dudek, the District staff believes it will be more precisely tracked as a separate task order for reimbursement purposes. Therefore, the prior approval of Amendment No. 15 will now be designated as Task Order No. 3.

Task Order No. 3 (formally Amendment No. 15) provided environmental services for 20 days of biological monitoring and noise monitoring required by the mitigation monitoring plan for a sum of \$36,010. While the overall construction of the brineline within the environmentally sensitive area of the Santa Ana River progressed and was successfully completed on December 16, 2011, the overall time period exceeded the original estimate of 20 work days. Amendment No. 1 to Task Order No. 3 provides for the additional time needed to insure compliance of the mitigation monitoring and permit requirements. The total additional cost of monitoring was \$19,775.

Biological Compliance	Contract Changes	Contract Amount	Percentage Change from Original Bid Amount	Reference
Task Order No. 3	- -	\$36,010	- -	DM 11-082
Amendment No. 1	\$19,775	\$55,785	54.9% increase	DM 12-010

Financial Considerations:

The costs associated with this project will be funded by the US EPA, Bureau of Reclamation and a SRF loan.

Yucaipa Valley Water District

INDEPENDENT CONSULTANT'S TASK ORDER
ISSUED TO DUDEK**Amendment No. 1 to Task Order No. 3**

Project Title: Biological Compliance Activities Related to the Construction of the Yucaipa Valley Regional Brineline - Phase III

YVWD Project Number: P-65-106 – Phase II Recycled Water System

Task Order Authorization Date: August 17, 2011 Director Memorandum No. 11-082
Amendment No. 1 Date: January 18, 2012 Director Memorandum No. 12-010

Consultant Name: Dudek
Contact: Mr. Mike Metts, Manager, Engineering Division
Address: 605 Third Street
 Encinitas, California 92024
Telephone: (760) 942-0366
Fax: (760) 942-4508
E-mail: mmetts@dudek.com
Fed. Tax ID #: 95-3873865

SUMMARY OF ADDENDUM:

	Contract	Contract	Percentage Change	
Biological Compliance	Changes	Amount	from Original Bid	Reference
			Amount	
Task Order No. 3	--	\$36,010	--	DM 11-082
Amendment No. 1	\$19,775	\$19,775	54.9% increase	DM 12-010
Total Revised Task Order Amount:		\$55,785		

This AMENDMENT to the original TASK ORDER is issued pursuant to that certain Agreement for Services by Independent Consultant between the YUCAIPA VALLEY WATER DISTRICT ("OWNER") and DUDEK AND ASSOCIATES, INC. (CONSULTANT") dated August 15, 2007 (the "AGREEMENT"). The OWNER and CONSULTANT have entered into this AMENDMENT for the purpose of amending and revising the ORIGINAL TASK ORDER and/or prior amendments (if applicable) as specifically set forth herein below, and except as specifically provided herein, the AGREEMENT, ORIGINAL TASK ORDER and AMENDMENTS shall remain in full force and effect as originally stated.

1. Revision to Tasks to be Performed & Compensation. CONSULTANT shall provide all labor, materials and equipment to perform the following task (check one):

 X Biological and Noise Monitoring

2. Time of Performance. CONSULTANT shall complete performance of services described above by December 2011.

IN WITNESS WHEREOF, the parties have executed this Task Order on the date indicated below.

Brent Anton
Yucaipa Valley Water District
12770 Second Street
Yucaipa, California 92399

Subject: Proposal to Provide Environmental Compliance Services Associated with Phase 3 of the Regional Brineline Extension Project

Dear Mr. Anton:

Dudek is pleased to submit this proposal to provide environmental compliance services to support construction of Phase 3 of the Regional Brineline Extension Project. Special-status vegetation communities (southern cottonwood willow riparian forest, open channel) are present with the Santa Ana River, a number of special-status plant species have the potential to occur, and suitable habitat for federal endangered species including least Bell's vireo, southwestern willow flycatcher, and Santa Ana sucker, is present within the Santa Ana River. In addition, wetlands and waters under the jurisdiction of the U.S. Army Corps of Engineers, the California Department of Fish and Game, and the Regional Water Quality Control Board are present within the Santa Ana River. In accordance with the mitigation requirements of the Regional Brineline Extension Mitigated Negative Declaration, and to ensure avoidance of potential impacts to jurisdictional wetlands and waters, a biological monitor is required during construction at the Santa Ana River, and noise monitoring may be required if construction occurs there during the breeding season.

SCOPE OF WORK

Task 1 Biological Monitoring During Construction

A qualified Dudek biologist will be on site daily to monitor construction activities. Monitoring tasks will include providing a one-time environmental training to construction crews prior to initiating construction activities and reviewing construction methods over the course of construction to ensure avoidance and minimization of sensitive resources. The biological monitor will be present daily in order to document inadvertent returns caused by hydrofracture (frac-

WWW.DUDEK.COM

Mr. Brent Anton

Subject: Proposal to Provide Environmental Compliance Services Associated with Phase 3 of the Regional Brineline Extension Project

outs), and to recommend appropriate remedial measures (*i.e.*, immediate containment and/or clean up), should they occur.

Site observation reports will be prepared to document biological monitoring activities. Site observation reports will document the location and nature of construction activity, the implementation of environmental mitigation or avoidance measures, and any coordination or communication with the contractor regarding specific environmental requirements. Site photographs will be included as appropriate. Upon completion of construction, a brief letter report will be prepared to document the overall project compliance with the environmental mitigation requirements and avoidance measures described above.

This task assumes HDD activities at the Santa Ana River will require up to 20 working days to complete, and that the biological monitor will be present daily for the duration of construction.

Task 2 Noise Monitoring

Noise monitoring will be necessary only if construction activity during the breeding season from April 10 through July 31 occurs within 500 feet of habitat occupied by least Bell's vireo at the Santa Ana River. Dudek will conduct noise measurements once at the start of construction activity to establish the location of the 60 dB L_{eq} noise contour. If the measured noise levels comply with the applicable noise criteria then no additional noise measurements will be conducted unless a new construction equipment phase begins. Noise measurements of the new construction activity will be conducted to determine if the new activity exceeds the 60 dB L_{eq} noise criteria at the sensitive biological habitat the area. If the field measurements indicate that the construction noise exceeds 60 dB L_{eq} we will identify potential noise mitigation measures. A brief memo summarizing the results of the noise measurements will be prepared weekly. This task assumes a maximum of four site visits.

COST SUMMARY

The estimated labor cost for this task is \$32,910 billed on a time and materials basis according to our 2011 Schedule of Charges. Direct costs are not expected to exceed \$3,100 and include mileage, meals, postage and reproduction.

Mr. Brent Anton

Subject: Proposal to Provide Environmental Compliance Services Associated with Phase 3 of the Regional Brineline Extension Project

Table 1
Cost Estimate

Task Description	Cost Estimate
Task 1: Biological Monitoring During Construction	\$30,010
Task 2: Noise Monitoring	\$2,900
Direct Costs	\$3,100
Total	\$36,010

Dudek appreciates the opportunity to continue working with the District. Should you have any questions, please do not hesitate to contact me. I can be reached at 760.479.4292.

Very truly yours,

Kamarul Muri
Project Manager/Biologist

Yucaipa, California 92399

Subject: Summary of Completed Biological Compliance Activities associated with the Phase 3 of the Regional Brineline Extension Project

Dear Mr. Anton:

The purpose of this letter is to summarize the biological compliance activities that took place in association with construction of Phase 3 of the Regional Brineline Extension Project. Horizontal directional drilling (HDD) activities were conducted for the Yucaipa Valley Regional Brineline Extension Project. HDD activities at the Santa Ana River and San Timoteo Creek are part of a 14-mile extension of the Santa Ana Regional Interceptor into the Yucaipa Valley. Special-status vegetation communities (southern cottonwood willow riparian forest, open channel) are present within the Santa Ana River, a number of special-status plants species have the potential to occur, and suitable habitat for federal endangered species including least Bell's vireo (*Vireo bellii pusillus*), southwestern willow flycatcher (*Empidonax traillii extimus*), and Santa Ana sucker (*Catostomus santaanae*), is present within the Santa Ana River. In addition, wetlands and waters under the jurisdiction of the U.S. Army Corps of Engineers (ACOE), the California Department of Fish and Game (CDFG), and the Regional Water Quality Control Board (RWQCB) are present within the Santa Ana River and is subject to the terms and conditions within the Section 1602 Streambed Notification (SAA #1600-2010-0126-R6).

In accordance with the mitigation requirements of the Regional Brineline Extension Mitigated Negative Declaration (MND) (Dudek 2009), to document compliance with the relevant CDFG requirements, and to ensure avoidance of potential impacts to jurisdictional wetlands and waters, a biological monitor was onsite during construction at the Santa Ana River. This letter includes a summary of the construction monitoring activities as documentation of compliance with the respective mitigation measures contained in the CDFG Section 1602 Streambed Notification (SAA #1600-2010-0126-R6), and the MND (Dudek 2009).

WWW.DUDEK.COM

Mr. Brent Anton

Subject: Summary of Completed Biological Compliance Activities associated with the Phase 3 of the Regional Brineline Extension Project

SUMMARY OF CONSTRUCTION MONITORING ACTIVITIES

The following is a summary of the monitoring activities that took place during the construction of the HDD crossing located beneath the Santa Ana River extending from the terminus of Hunts Lane and following a northwest arc to the north side of the river. A biological monitor was present daily in order to document inadvertent returns caused by hydrofracture (frac-outs), and to recommend appropriate remedial measures (i.e., immediate containment and/or clean up), should they occur. No frac-outs occurred during the drilling process and there were no impacts to biological resources during the construction of the HDD crossing. A summary of construction activities is described in Table 1. Detailed Site Observation Reports (SOR) for each day of monitoring are provided as Attachment A.

Table 1
Biological Monitoring Results

Date	Hours	Biological Monitor*	Focus
10/31/11	0700–1300	PCS	Pre-construction kickoff meeting. During this meeting, the biologist was informed that a wire was scheduled to be placed across the river and would result in trimming of riparian vegetation. This activity was not covered under the permits and therefore work was put on hold until a solution was determined.
11/01/11	0800–1400	DAM	Biological monitoring during equipment staging. Access routes identified and associated impacts for vegetation trimming/cutting was estimated. No drilling activities occurred.
11/02/11	0700–1445	PCS	Biological monitoring of the placement of a communications circle within the Santa Ana River.
11/03/11	0700–1840	EAW	Biological monitoring of the placement of a communications circle within the Santa Ana River.
11/04/11	0640–1720	EAW	Biological monitoring of HDD. Rainfall from the previous night increased water level in the river and some poles from the communications circle were knocked over but the wires were still intact.
11/07/11	0700–1000	PCS	Biological monitoring of HDD. Work ended early due to a broken part.
11/08/11	0800–0900	BAS	Biological monitoring of HDD. Work ended early due to a broken part.
11/09/11	0700–1530	BAS	Biological monitoring of HDD.
11/10/11	0700–1530	PCS	Biological monitoring of HDD. The communications circle was removed from the river in anticipation of the storm event expected over the weekend.
11/14/11	0600–1015	BAS	Drilling was postponed due to loss of circulation. The crew is obtaining permission to drill deeper.
11/15/11	0600–1645	BAS	Biological monitoring of HDD.

CONTRACT AMENDMENT AUTHORIZATION

TO: Client Representative

Client: Yucaipa Water Valley District**Address:** _____**City:** _____ **State:** _____ **Zip:** _____**Phone:** _____ **Fax:** _____

This form is provided to document your written authorization to amend our existing contract with your organization for additional work as discussed on 12/13/11. By documenting your written authorization for these contract amendment(s), we hope to avoid any misunderstanding between your organization and Dudek, and to expedite our ability to immediately proceed on work as requested. All other terms and conditions of the original contract between Client and Dudek described below remain in effect, apply to and are unaltered by this contract amendment authorization.

Contract Name: Phase 3 Regional Brineline Extension**Contract/Purchase Order No.:** _____**Dudek Job No.:** 3163-19 **Dudek Project Manager:** Kam Muri**Contract Effective Date:** Upon signature**AMENDED/ADDITIONAL CONTRACT WORK DISCIPLINE**

Horizontal directional drilling (HDD) construction extended beyond the duration anticipated in the original contract. Approximately \$8,920 from the original contract remained as of Friday, November 25. Since that time, Dudek conducted ongoing construction monitoring that continued through Friday, December 16. The total cost of monitoring through December 16, and the preparation of the final monitoring report following construction, exceeded the original contract amount by \$19,775. This amendment covers the additional costs for monitoring and the preparation of the monitoring report.

Director Memorandum 12-011

Date: January 18, 2012

Prepared By: Brent Anton, Engineering Manager

Subject: Task Order No. 9 for Construction Management Services Related to the R-10.3 Recycled Water Reservoir and Booster Complex

Recommendation: That the Board approves Task Order No. 9 to Krieger & Stewart for a sum not-to-exceed \$457,700 for construction management related services.

The Yucaipa Valley Water District is continuing to expand our recycled water system to meet increasing water demands. The primary source of recycled water is currently produced from the Yucaipa Valley Regional Water Filtration Facility which is located at the upper elevation of our recycled water system. The use of this facility for recycled water allowed the District to construct and expand our recycled water system from the northeastern portion of our service area to the southwestern portion of our service area. The benefit of this evolution has been the ability to collocate the recycled water source in an area with new and increased recycled water demands.

The District has received several federal and state grants to assist in the transfer of the recycled water source from the water filtration facility to the Wochholz Regional Water Recycling Facility. It is advantageous for the District to expand the recycled water infrastructure to utilize the high quality recycled water produced from the wastewater treatment plant.

The attached Task Order No. 9 authorizes the construction management services to Krieger & Stewart for the recycled water reservoirs and booster station project which has been awarded to ACE/PRT Canyon Springs Enterprises dba RSH Construction. The District staff has solicited the attached proposal from Krieger & Stewart due to their extensive knowledge of our distribution system, long-term experience with designs that produce minimal construction change orders, inspection services and their ability to meet the rigorous time schedule associated with the funding grants.

Financial Considerations:

The costs associated with this project will be funded by the US EPA, Bureau of Reclamation and a SRF loan.

Yucaipa Valley Water District

INDEPENDENT CONSULTANT'S TASK ORDER
ISSUED TO KRIEGER & STEWART**Task Order No. 9**

Project Title: Construction Management Services for the Pressure Zone 10 Recycled Water Reservoir and Booster Complex

YVWD Project Number: P-65-106 –Recycled Water System

Task Order Authorization Date: January 18, 2012 Director Memorandum No. 12-011

Consultant Name: Krieger & Stewart, Inc.
Contact: Mr. Patrick Watson
Address: 3602 University Avenue
Riverside, California 92501-3380
Telephone: (951) 684-6900
Fax: (951) 684-6986
Fed. Tax ID #: 95-2695159

This TASK ORDER is issued pursuant to that certain Agreement for Services by Independent Consultant between the YUCAIPA VALLEY WATER DISTRICT ("OWNER") and KRIEGER & STEWART, INC. (CONSULTANT") dated _____ (the "AGREEMENT"). The OWNER and CONSULTANT have entered into this AMENDMENT for the purpose of amending and revising the ORIGINAL TASK ORDER and/or prior amendments (if applicable) as specifically set forth herein below, and except as specifically provided herein, the AGREEMENT, ORIGINAL TASK ORDER and AMENDMENTS shall remain in full force and effect as originally stated.

1. Revision to Tasks to be Performed & Compensation. CONSULTANT shall provide all labor, materials and equipment to perform the following task (check one):

☒ Construction management services related to the Pressure Zone 10 Recycled Water Reservoir and Booster Complex

2. Time of Performance. CONSULTANT shall complete performance of services described above by January 2013.

IN WITNESS WHEREOF, the parties have executed this Task Order on the date indicated below.

Subject: Construction Engineering Services Proposal for the
Non-Potable Water 10.3 Reservoirs and Booster Pump Station

Dear Mr. Anton:

As requested by Yucaipa Valley Water District (District), we have prepared the following proposal to provide construction engineering services for the Non-Potable Water 10.3 Reservoirs and Booster Pump Station. The facilities will be constructed on property owned by the District located along Crow Street in Calimesa.

A. PROJECT DESCRIPTION

The proposed facilities consist of two 1.0 MG welded steel reservoirs and one booster pumping station configured and equipped to pump to two separate pressure zones. Only the equipment and pumping units required to pump to the higher pressure zone will be constructed under the initial Contract; the remaining pumps and equipment will be added at a later date.

The proposed reservoirs will be above ground welded steel, approximately 80' diameter by 34' high. The reservoirs will be shop primed and field coated with a three coat zinc/epoxy/polyurethane system. The reservoirs will be supported on concrete ringwalls and asphalt sand pads.

The proposed pump station will convey recycled water to the 11 and 12 Zones through 16" and 24" transmission pipelines. The pumping units will be constant speed and they will be installed outdoors on a concrete pad along with associated electrical switchgear and equipment controls. The pump station facilities generally consist of the following:

1. Two electric motor driven vertical turbine pumping units (one as duty and one as standby).
2. One spare can for installation of a future pumping unit to the 12 Zone.
3. Three spare cans for installation of future pumping units to the 11 Zone.
4. Belowgrade pump suction piping and isolation valves sized for the combined pumping station.

Brent Anton
January 5, 2012
Page 2

5. Abovegrade pump discharge piping and valves, including check valves and isolation valves.
6. Discharge surge tank and appurtenances.
7. Electrical service, electrical switchgear (motor control center), and equipment controls.

B. SCOPE OF SERVICES

1. Bidding Phase

We will provide copies of the contract documents to all prospective bidders. During the bidding period, we will answer questions about or provide clarifications of the contract documents, and will prepare and distribute addenda, if necessary.

We will assist the District with the bid opening and will review each bid to determine whether or not it is responsive. For the apparent low bidder, we will check the references supplied, specifically with regard to workmanship, cooperation with inspectors, work completion schedule, and extra work requests. We will also check the contractor's status with the California Contractor's Licensing Board, confirming that the contractor possesses a valid contractor's license.

Following our review of the bids, we will prepare a recommendation of award letter for District staff which will summarize the bids received and the results of the checks on the contractors' references, and will recommend contract award. After the District awards the contract, we will conform the contract and deliver it to the contractor by letter informing the contractor that they have been awarded the project work. Once the original contract has been executed by all parties, we will conform and distribute copies to each executing party.

2. Preconstruction Meeting

Prior to the preconstruction meeting, we will prepare a detailed meeting agenda that will outline contractual requirements, including any special requirements. Said agenda will be distributed to the District for review and comment prior to the preconstruction meeting. We will incorporate any comments received into the agenda, which will be distributed to all meeting attendees.

We will attend the preconstruction meeting together with District staff and project Contractor's staff. The preconstruction conference will provide the opportunity for complete review of the contract documents by all parties prior to starting work. We will be prepared to respond to questions regarding the contract document requirements, including special project requirements, sequence of work, and completion dates. We will review the Contractor's schedule and approach to construction. We will prepare a

Brent Anton
January 5, 2012
Page 3

record of the meeting (meeting minutes), incorporating items reviewed, for distribution to all attendees.

3. Submittals Review

Our Project Manager and engineers will review and approve project submittals to ensure compliance with the Construction Drawings and Specifications. We expect submittal documents to be received for the construction schedule, all construction materials and equipment, equipment operation and maintenance manuals, equipment warranties, and record drawings.

We will prepare and maintain a detailed submittal log for an ongoing record of submittal numbers, dates received and returned, quantities received and returned, descriptions, manufacturers, actions taken, and other comments as necessary. Said submittal log will be available for transmittal to the District at any time.

We will also review the Contractor's Critical Path Method (CPM) progress schedule and schedule updates to ensure that the project will be completed in a timely manner, that nothing significant is omitted from same, and that the proposed sequencing is consistent with contract requirements.

4. Partial Payment Requests

Each month, we will review the partial payment request submitted by the Contractor for work completed. Our Project Manager will review the work completed and the payment request with the Project Inspector to ensure the quantities and amounts requested reflect the actual work completed. Prior to the Contractor's submittal of a payment request, he will be required to review the actual work completed with our inspection staff (so that both parties agree upon same). After each request has been reviewed (and revised if necessary), Krieger & Stewart's Project Manager will recommend approval and payment by the District.

5. Contract Administration

Throughout the course of construction, our Project Manager will respond to inquiries regarding the contract documents in order to ensure that the project is constructed in compliance with same. Contract administration activities will include site visits, review of daily inspection reports, daily conferences with the Project Inspector, progress reviews to ensure that the project is proceeding according to schedule, progress reviews with District staff, and related services.

We will respond to requests for information (RFIs) from the Contractor regarding the contract documents in order to ensure that the improvements and related facilities are constructed in compliance with same. We will also prepare "clarifications" when we

Brent Anton
January 5, 2012
Page 4

discover further explanation or correction of the contract documents is necessary. In addition, when the Contractor proposes altering the specified work, we will review his request for change (RFC) to determine whether his proposal is equivalent to the contract requirements.

We will prepare and maintain logs for all written aspects of project record, including submittals, RFIs, RFCs, clarifications, contract change orders, payment requests, non-compliance reports, accounting reports, and inspections. Project progress and any changes during construction will be noted on a set of contract documents maintained in the field (by our Project Inspector) and in our office (by our Project Manager). Problems or questions during construction will be resolved by our Project Manager and Project Inspector. If a problem occurs requiring a District decision, District staff will be consulted. Our Project Manager will attempt to resolve complaints, concerns, and questions from the Contractor and other affected agencies.

Any extra work request received will be reviewed to determine if the request is warranted. If an extra work request is not warranted, we will reject same in writing. Prior to sending a written rejection to the Contractor, we will review same with District staff. If an extra work request appears warranted, the request will be reviewed with our Project Inspector and compared to field reports for confirmation of materials, equipment, and labor involved. Thereafter, we will review same with District staff prior to approving extra work and preparing change orders.

Through regular telephone conferences, meetings, and presentations (if necessary), our Project Manager will keep District staff informed of project progress, problems that have occurred during construction, and any changes in work. Whenever possible, our Project Manager will review required changes with District staff prior to making same.

Telephone numbers for normal working hours, evenings, and weekends for the Project Manager, Project Inspector, Contractor, utilities, and emergency services will be provided to all concerned parties.

6. Progress Meetings

We will schedule, facilitate, and attend bi-weekly progress meetings with Contractor and District staff to discuss progress, scheduling and coordination efforts, and resolutions to construction problems encountered. We propose for our Project Manager and Project Inspector to attend each progress meeting.

Our Project Manager will prepare detailed meeting agendas and meeting minutes to be distributed to all attendees. The progress meetings will be held at the job site, the District's office, or even at Krieger & Stewart's office (at the District's discretion).

Brent Anton
January 5, 2012
Page 5

The progress meeting minutes will be the basis for progress reporting to the District's Project Manager. In addition to the bi-weekly progress meeting minutes, we will carefully monitor the project's progress, together with Krieger & Stewart's budget and unpaid contract funds to the Contractor. Said data will be readily available for the District's Project Manager upon request.

7. Construction Inspection

We anticipate that one full-time Project Inspector will be required during construction of the reservoirs and booster pumping station, and additional inspector(s) will be required during coating inspections.

An experienced inspection staff is an important element in construction engineering services. We will assign inspector(s) to the project who have significant experience in providing the specific construction engineering services required for the project.

In addition to his field diaries, our Project Inspector will prepare daily field reports which will be reviewed by our Project Manager. Our Project Inspector will also take daily photographs as a record of project progress.

Prior to commencing construction activities, our Project Inspector will review the work site and photograph or videotape existing facilities as a record of pre-existing conditions. This will be in addition to the Contractor's required pre-construction audio-video recording by a professional photographer.

During construction, Krieger & Stewart's Project Inspector will review all materials delivered to the site for conformance with approved submittals and the contract documents.

8. Construction Staking

We will provide construction staking consisting of establishing base lines, temporary bench marks, and the site boundary for the Project site. In addition, we will provide one set of waterline construction stakes for work performed in Crow Street. The waterline construction stakes will be set at 50' intervals, including all angle points, BCs, ECs, grade breaks, fittings, valves, appurtenances, and connection locations. We will coordinate the staking schedule and offsets with the Contractor. We will use either 1" x 2" hubs or 60d spikes with feathers and provide witness lath with staking information noted.

During construction, the location of facilities (relative to the construction staking and locations established on the construction drawings) will be verified by our Project Inspector. Subsequent to completion of the structures, we will verify elevations of all

Brent Anton
January 5, 2012
Page 6

water level control structures. Our proposal includes providing all of the construction staking that the contract documents obligate the District to provide for the Contractor.

In addition, our proposal includes locating and restoring three monuments in Crow Street and County Line Road.

9. Facility Startup and Performance Testing

The contract documents require the Contractor to provide startup, performance testing, and system validation of all equipment and components, including adjustments and calibrations by all equipment suppliers. Startup and performance testing will be witnessed by District staff and by representatives of our project team. Our engineering staff will assist with startup and testing coordination and ensure compliance with project requirements.

Based on the contract documents and equipment shop drawings, we will prepare checklist forms for each equipment system to document equipment functions in both manual and automatic modes. In addition, we will prepare forms for equipment testing, including forms to record pumping unit field test results. During startup and testing, we will utilize the forms to record observed equipment operation/performance and confirm that all equipment performs in accordance with contract requirements. For systems or equipment that fail to meet contract requirements, we will document same and define the necessary corrective work. Prior to acceptance of construction work, we will verify that all equipment and appurtenances are functioning as specified in the contract documents.

Using the equipment operation and maintenance manuals, the various equipment suppliers will be required to provide District operations staff with sufficient training and instruction to enable them to operate and maintain the facilities once the District accepts same and assumes responsibility for the new facility's operation. Our engineering staff will assist with coordination of operator training and instruction. District operations staff will receive "hands-on" training for all facility equipment and systems.

10. Final Inspection and Project Acceptance

Prior to recommending that District accept the project, we will provide a comprehensive final inspection of the facilities with District staff in order to ensure that it is delivered to the District as specified in the contract documents. At this time, we will prepare a construction deficiencies list (punchlist) of items requiring remedial work. District staff will be provided the opportunity to review and approve the final punchlist prior to transmitting same to the Contractor. We will confirm construction is complete, facilities operate as specified, and that all equipment has been adjusted and calibrated by equipment suppliers.

Brent Anton
January 5, 2012
Page 7

After all deficiencies are corrected, Krieger & Stewart will provide written notification to the District recommending acceptance of the project. We will provide the District with a recommended substantial completion date (if different from actual completion date) and actual completion date, prepare and file a Notice of Completion, and confirm that no stop notices have been filed prior to recommending final payment by District.

11. Record Drawings

Once the project has been completed, we will prepare and provide the District with a complete set of record drawings which will reflect the facilities as constructed. Field changes and changes resulting from contract change orders will be shown on the record drawings. All changes will be documented by the Contractor, Project Inspector, and our Project Manager. The final record drawings will incorporate all of these documented changes. The changes will either be made to the original mylars or new mylars will be printed with the original signatures retained (District's discretion).

Upon completion of the record drawings, we will deliver the complete set of record drawing mylars, one full-size paper copy of same, and an electronic copy (CD) of same.

C. ESTIMATED FEE

Our estimated fee for providing Construction Engineering Services for the Non-Potable Water 10.3 Reservoirs and Booster Pump Station Project is indicated on Table 1 attached. As shown thereon, we propose to provide all of the services for a fee not to exceed \$457,700.00. A copy of our 2011 Fee Schedule is also attached, and our fee estimate is based on the rates specified therein. Our fee is subject to negotiation based on clarification or revision of the Scope of Services. The fee set forth on Table 1 is an estimate and may change based on clarifications of the project scope.

Please note that our fee estimate is predicated on a number of specific understandings regarding project details and the services required, and that our fees and/or schedule may have to be adjusted in the event that certain additional services are required in order to successfully complete the project. Said understandings include the following:

1. Contract period for Project Completion will be 45 weeks (310 calendar days).
2. Construction period for Project Completion will be 40 weeks (280 calendar days).
3. District will retain the services of the geotechnical firm, the biological firm, and the paleontological monitor. We will assist the District in the coordination efforts as required.
4. Eighty (80) submittals and re-submittals will be required for the Project, with each submittal requiring three hours to review.

Brent Anton
January 5, 2012
Page 8

5. For the construction period of the project (40 weeks), an average of 18 hours per week for the Project Manager and 4 hours per week for the Project Engineer for all services combined.
6. Total required onsite inspection for the Contract will be 1,680 hours. The majority of the construction period (40 weeks) will require one inspector at 40 hours per week. In addition, two additional inspectors will be required to perform the coating holiday inspection for the reservoir interiors (40 hours total for each reservoir).
7. Onsite inspection is based on working 5 days per week, 8 hours per day (i.e. 40 hours per week). Our fee estimate does not include overtime work.
8. Reimbursables include plots, copies, postage, delivery, telephone, and mileage and are estimated at 3% of the total estimated fee.

Our estimated fee for construction management and inspection services is based on our experience with similar projects; however, our actual fee will depend on the efficiency, competence, and diligence of the Contractor. If at any time during construction, we determine that our man-hours are deviating from the assumptions made during preparation of our fee estimate, we will immediately issue an advisory to the District's Project Manager, so that appropriate action can be taken.

Thank you for considering Krieger & Stewart to provide engineering services for this project. We are available at your convenience to discuss our proposal or answer any questions.

Sincerely,

KRIEGER & STEWART

The above rates are subject to change on or about January 1 each year due to salary and cost increases, except for Construction Inspector and Survey Crew rates which are also subject to change if California Department of Industrial Relations issues new prevailing wage determinations during the course of the year. A gasoline surcharge may be included in response to increased prices; no such surcharge will be included on project invoices without prior notification.

TERMS OF PAYMENT:

Unless charge accommodations have been established beforehand, all accounts shall be prepaid. For accounts having charge accommodations, payment in full shall be made within 30 days of date of invoice. Any amount unpaid within said 30 days will be assessed a service charge of 1-1/2% per month (18% annual percentage rate), with a minimum charge of \$1.00. Accounts with a past due balance of 30 days or more are subject, without notice, to credit discontinuance and mechanic's lien or stop notice. If it becomes necessary for Krieger & Stewart to initiate legal proceedings for the collection of any balance due, the action shall be brought and tried in the Judicial Districts wherein Krieger & Stewart offices are located. Client agrees that the court may award reasonable attorney's fees and costs of suit to the prevailing party.

2011-FEES (2/1/2011)

Director Memorandum 12-012

Date: January 18, 2012

Prepared By: Jack Nelson, Assistant General Manager

Subject: Damage Claim Related to a Leak on Private Property at 12555 Fremont Street, Yucaipa

Recommendation: That the Board denies the claim as presented.

On October 13, 2011, the District received a claim from Jack Masters for \$16,650.00 for an estimate of proposed repairs to be made on his rear patio slab at his residence located at 12555 Fremont Street, Yucaipa. The claim states that a water line was discovered leaking under the patio slab in April 2011. The leak was called into the Yucaipa Valley Water District under the supposition that the water line was an old District water main. District staff researched the District's records and could not find any information about an old water main at the referenced location. District staff also checked the water service line to the property and confirmed that the leaking line was not related to the water service line for that parcel. Over a six month period, District staff worked with the property owner in attempting to identify the leaking water line, and could only confirm that it was a "dead-end" water line. District staff was not able to locate the origin of the line during this time.

In December 2011, after receiving the claim, District staff further pursued the issue and isolated several water mains in the Fremont area in order to identify the origin of the leaking dead-end water line (see attached 12-12-2011 Michael Rivera report). As a result of the investigation, the leaking water line was determined not to originate from a District main, but was apparently the result of an interconnection with the water lines on the property at 12561 Fremont. Thus the leak is on a private water line on private property.

District staff recommends denial of the claim based on the fact that the leaking water line is a private water line and not Yucaipa Valley Water District property.

Attention: Claims Department

RECEIVED
OCT 13 2011
**YUCAIPA VALLEY
WATER DISTRICT**

To Whom It May Concern:

I am submitting this claim for damages caused by your water line. The pictures show the settling of my patio caused by the leaking pipe and an estimate of repairs, from the original contractor that placed the patio concrete. I am still in a quandary over the situation. I cannot get my patio replaced until the problem is solved. It seems that the origin of the pipe cannot be located. There may be further damages to my property, because the leak is only temporarily repaired, and my yard may be dug up to locate the pipe. The only reason I am submitting this claim at this time is because of the six-month deadline. I believe Mike from your department was here in May and indicated that YWD would be fixing the problem. I do not believe the repairs have been made and my patio and yard is still in a mess.

If this letter, form, and pictures is not the correct protocol for my situation or resolution, please let me know. My e-mail address is jmastersb@msn.com.

Respectfully,
Jack Masters

TO: John Hull & Jack Nelson
FROM: Michael J. Rivera
DATE: December 21, 2011
SUBJECT: 12555 Fremont Street

I (Mike Rivera) on 12-19-2011 & 12-21-2011 went with crew to investigate leaking water line on said property. The following is in chronological order of my investigation.

- Shut down 12" water main between Fremont St and Grant St on Ave E. Water line still pressurized.
- Shut down 16" water main between Avenue E & the southern inline valve on Fremont St. Water line depressurized.
- Discovered water line must be supplied from Fremont St.
- Shut off water meters at 12561 Fremont St and 12589 Fremont St. Removed band at 12555 Fremont St water line depressurized.
- Opened water meter at 12589 Fremont St, water lines on the property at 12555 Fremont still depressurized. Closed meter at 12589 Fremont St.
- Opened water meter at 12561 Fremont St, water lines on the property at 12555 Fremont was pressurized. Closed meter at 12561 Fremont St, water lines on the property at 12555 Fremont St. had no pressure.

Conclusion

We have determined the water lines on the property at 12555 Fremont St. are interconnected with the water lines on the property at 12561 Fremont St. This connection is after the Yucaipa Valley Water District's water meter, on private property.
