BOIL WATER NOTICE

Este informe contiene información muy importante sobre su agua potable.

BOIL YOUR WATER BEFORE USING LANFRANC ROAD (PARTIAL)

Failure to follow this advisory could result in stomach or intestinal illness.

Due to the recent water main repair the State Water Resources Control Board, Division of Drinking Water in conjunction with the San Bernardino County Health Department, and the Yucaipa Valley Water District, as a precautionary measure, are advising certain residents on Lanfranc Road (Partial) to use boiled tap water or bottled water for drinking and cooking purposes as a safety precaution.

DO NOT DRINK THE WATER WITHOUT BOILING IT FIRST. Bring all water to a boil, **let it boil for one (1) minute**, and let it cool before using, or use bottled water. Boiled or bottled water should be used for drinking and food preparation **until further notice**. This is the preferred method to assure that the water is safe to drink.

Service interruption began at approximately 8:30 AM Wednesday, October 10, 2018. We will inform you when tests show that water is safe to drink and you no longer need to boil your water. We anticipate resolving the problem within two days.
