BOIL WATER NOTICE

Este informe contiene información muy importante sobre su agua potable.
Tradúzcalo o hable con alguien que lo entienda bien.

BOIL YOUR WATER BEFORE USING

SINGLETON ROAD (PARTIAL), CHANDLER AVENUE (PARTIAL)

Failure to follow this advisory could result in stomach or intestinal illness.

Due to the recent water main repair, the State Water Resources Control Board, Division of Drinking Water in conjunction with the San Bernardino County Health Department, and the Yucaipa Valley Water District, as a precautionary measure, are advising certain residents on Singleton Road (Partial) and Chandler Avenue (Partial) to use boiled tap water or bottled water for drinking and cooking purposes as a safety precaution.

DO NOT DRINK THE WATER WITHOUT BOILING IT FIRST. Bring all water to a boil, **let it boil for one (1) minute**, and let it cool before using, or use bottled water. Boiled or bottled water should be used for drinking and food preparation **until further notice**. This is the preferred method to assure that the water is safe to drink.

Service interruption began at approximately 10 AM Thursday, January 10, 2019. We will inform you when tests show that water is safe to drink and you no longer need to boil your water. We anticipate resolving the problem within two days.
