- a. Manager's Meeting Report
 - Primary focus was looking at different concepts on how to approach the rate structure. Main concept was increasing the rates gradually. This will be further discussed in an upcoming meeting on Monday, January 28, 2019 at 1:30pm.
- b. San Gorgonio Pass Water Agency Capacity Fee Update
 - Jeff's prepared statement - The agency has an Ad Hoc committee, it is discussing how a capacity fee can be implemented and what should be included. It was the agency's desire to put the cost of the nickel water on a capacity fee and keep it off the rate, but there was an opposition to that from the retail water agencies. Agency is now left with no choice but to put the cost in the rate.
