

Ethics Training Program for Local Government Elected Officials, Managers & Supervisors

Government Code Section 53235 requires local government officials (members of a legislative body) who receive any type of compensation or reimbursement for expenses to receive at least two hours of ethics training every two years.

To fulfill the requirements of this legislation, the Yucaipa Valley Water District will be hosting a free Ethics Training Program on **Wednesday, January 9, 2019**. The two hour program will be held at the Yucaipa Valley Regional Water Filtration Facility located at 35477 Oak Glen Road, Yucaipa.

A light meal will be provided starting at 5:30 p.m. with the training session to begin promptly at 6:00 p.m. Individuals that arrive after 6:00 p.m. are encouraged to attend a separate session to meet the full two-hour training requirement.

The cost for this training is free, but space is limited. **Registration is strongly encouraged to allow sufficient time to prepare the certificates of completion for the training session.**

John Dietrich with Atkinson, Andelson, Loya, Ruud & Romo will conduct the seminar tailored specifically for local public agencies.

All elected officials, managers and supervisor staff members are encouraged to attend.

Please register directly at www.yvwd.dst.ca.us, or contact Kathryn Hallberg at khallberg@yvwd.us or (909) 790-3303 to register for this training seminar. Registration should be received by the Yucaipa Valley Water District no later than Friday, January 4, 2019, or once the seminar is full.

This free educational training opportunity is sponsored by:
